FOR NEARLY 150 YEARS, AMERICANS HAVE GATHERED IN LATE SPRING TO HONOR THE SACRIFICE OF THOSE WHO HAVE GIVEN THEIR LIVES IN SERVICE TO THEIR COUNTRY. WHAT BEGAN WITH DOZENS OF INFORMAL COMMEMORATIONS OF THOSE KILLED IN THE CIVIL WAR HAS GROWN TO BECOME ONE OF THE NATION'S MOST SOLEMN AND HALLOWED HOLIDAYS.

Congratulations to everyone who made it on the New York City trip!!!

We boarded the bus at 6:15 am and headed to the city. The bus had WiFi outlets and televisions. It was a very peaceful ride.

We arrived at the 9/11 Memorial at 9:30. One thing I found really interesting at the memorial was the staircase that people used to escape the building. Next, we went on a boat to get to Ellis Island and the Statue of Liberty. We didn't get to spend too much time there, but everyone enjoyed the boat ride. We then went to the Intrepid, a sea, air and space museum.

After the museums we went to Times Square and ate dinner at an Italian Buffet. After a long, fun filled day in the city we were on our way back to Little Flower and arrived around 9:00 pm. Everyone who went on the trip enjoyed and had a great time.

Thank you to Ms. Josie and the PBIS team for this amazing opportunity.

Yes, I learned to become more patient.

I was pleasantly surprised at how students and staff can support and care for each other.
