## Where in the World IS Mr. Kenny?

Where:

Vienna, Austria

What:

State Opera House

When in History:

1861 - Today

Why Did You Visit:

The State Opera House is located in the center of the city of Vienna. It is a fancy building beautifully decorated with statues and paintings. The building hosts performances from the world's great musicians every day. The city of Vienna is beautiful. Austrians have a great sense of humor often teasing tourists that you won't find any kangaroos in their country.
