### The Legend of St. Valentine.

The history of Valentine's Day—and the story of its patron saint—is shrouded in mystery. We do know that February has long been celebrated as a month of romance, and that St. Valentine's Day, as we know it today, contains vestiges of both Christian and ancient Roman tradition. Some of the things we may do to celebrate love is: We could go on a date, buy chocolate, flowers, candy, jewelry, and other gifts.

Here at Little Flower we will have a valentine sale to buy things for your love ones/friends.

Listed below are the items we will be selling as part of Student Leadership this month:

Chocolate Rose w/ Candy \$2

*Order forms will be sent out next week, please support student leadership*
