**Dear Friends of Little Flower, Supporters of Education, and Golf Enthusiasts:**

Your assistance is needed to help ensure a successful fundraiser!

Little Flower Union Free School District is a Special Act Public School for students with special educational needs. Little Flower School provides both residential and day placements for children in grades 3 through 12. Our faculty and staff are specially trained to support the instruction and behavior of students with learning and emotional disabilities. As a special act school, our budget is limited to tuition rates, we do not benefit from a tax base, and the school receives only nominal funding through state aid and federal grants. Our students have access to very few outside resources. Thus, the Little Flower Educational Foundation was formed in 2001 to raise funds to allow for additional opportunities and activities for our students such as educational experiences, recreational outings, field trips, rewards as part of our positive behavioral supports program, and daily incentives to engage our struggling students.

In order to offset this nominal funding, we are conducting an **Inaugural Little Flower Educational Foundation Golf Outing** at the Vineyards Golf Club in Riverhead on Saturday, May 18, 2019. By participating in the Golf Outing you will be contributing to a great cause and will have a spectacular day. The day will start off with a *Continental Breakfast* and end with a *Buffet Dinner* and dessert with prizes for raffle, with a *Scramble Tournament* on one of the East End's premier golf courses in between. If you are unable to golf but would like to participate in the dinner and prizes only, that is also an option. There are *Sponsorship Opportunities* that are available to show your support, as well.

All funds raised go directly to the Foundation and are used solely for programming to benefit our students. Our goal is to provide a positive academic and behavior program for our students to promote their success. Your support is truly appreciated and would be of great benefit to this charitable event.

Little Flower Educational Foundation, Inc. is recognized as a charitable organization under the IRS 501(c)(3). Our tax exempt ID is 31-1752211; a copy of our IRS determination letter can be provided upon request and donations are tax-deductible under IRC Section 170. Thank you in advance for your time and assistance. If you have any questions, please feel free to contact Christine Evola at (631) 929-4300.

Sincerely,

Little Flower Educational Foundation Fundraising Committee
