April 8, 2020

Greetings Parents and Guardians of Little Flower Students,

On Monday, the governor issued an Executive Order extending closure of schools until April 29. The district's continuity of learning plan will continue to at least that date. Please refer to learning plan documents on the [district website](#) and to your child's login credentials to Microsoft Office 365, which were emailed to you prior.

Additionally, The New York State Education Department announced that Regents exams scheduled for the June 2020 administration have been cancelled. The district is reviewing the guidance related to graduation and high school completion requirements without Regents exams.

When the district has finalized its review, parents of students who may be impacted by the cancellation of exams will be contacted accordingly. Information regarding the NYSED announcement of the Regents cancellation may be found [here](#).

Thank you for your cooperation during these trying times, and wishing you and your family safety and health.

Sincerely,

Dr. Harold J. Dean
Superintendent
