Greetings Little Flower Community,

The district was notified of two additional staff positive Covid cases from the close contact pool of the recent positive cases earlier this week. This resulted in an additional set of quarantines of identified close contacts. School administration and the Suffolk Department of Health will be in contact with those individuals.

Given the relatedness of these cases and the potential for additional positives, out of an abundance of caution and concern for the health and safety of the school community, **the District will be closed for in-person learning Monday, November 30 through Friday, December 4, 2020.** We anticipate being able to resume in-person learning on Monday, December 7, 2020.

As the District will be in full remote-only learning, please follow the steps below as outlined in the [Reopening Plan](#), available on the website in fuller detail.

Please continue to follow all health and safety protocols, and thank you for your cooperation.

### **Distance Learning Protocol for Students**

Students will follow their regular bell schedules.

Students have been assigned and will login through Microsoft Teams at the start of their classes.

Logins are first initial+last name @littleflowerufsd.org (example: [jsmith@litteflowerufsd.org](mailto:jsmith@litteflowerufsd.org))

Password is Changeme! (capital C)

Teachers will work with students logged on each period and take attendance accordingly.

Pupil personnel services staff will continue outreach for regularly scheduled support sessions through Microsoft Teams and/or phone conferences.

Technical issues can be emailed to [fvu@littleflowerufsd.org](mailto:fvu@littleflowerufsd.org).
