NOTICE OF SCHOOL REOPENING FOR THURSDAY, OCTOBER 29, 2020

After conversation with the Suffolk County Department of Health, it was determined that, given the timelines associated with the positive test, there were no close or proximate contacts associated with the case and thus, no quarantining or further action necessary.

The District was closed today for in-person instruction out of an abundance of caution and in consideration of the health and safety of all students and staff while we coordinated efforts with DOH.

We are pleased to announce that the school will reopen tomorrow, Thursday, October 29, under its regular schedule for students and staff.

Please continue to follow all health and safety protocols, and thank you for your cooperation.
