SCHOOL CLOSURE UPDATE

This afternoon, Governor Cuomo announced that all New York State schools will remain closed through the end of the academic year, which is June 26, 2020. The district continuity of learning plan, meal plan, and child care plan will remain in place for the duration of the closure. The governor also announced that a decision on summer programming, whether in-person or through distance learning, would be announced by the end of May.

The district has developed a fourth quarter and final grading policy with the impacts of the school closure taken into consideration. Please view the appropriate document on the district website [COVID-19 Updates](#) page.

Lastly, we are in discussion about what the potential for a virtual graduation ceremony would look like for Little Flower, and we will update appropriate parents, guardians, and students when further information is available.

Thank you for your support and cooperation. Be well, stay healthy, and stay safe.
