March 16, 2020

Dear Parent/Guardian of a Little Flower Student,

The National Child Nutrition Program has authorized School Food Authorities to provide breakfast and lunch meals to students and their school-aged siblings (18 and under) during a period of closure due to COVID-19.

As the district been ordered closed by the Suffolk County Executive due to COVID-19 concerns from March 16 to March 27, you are eligible to receive meals for all school-aged children in your household.

If you request these meals, you will need to pick them up from the Little Flower campus in Wading River, as we do not have the capacity to transport meals. To request meals, you may phone any of the four contacts below, starting with the primary number.

When requesting meals, you must include:

1. The name of the student enrolled in Little Flower;
2. Your name and relationship to the student enrolled in Little Flower;
3. The number of school-aged children 18 and under in your household;
4. The number days-worth of meals you are requesting within the school closure period; and
5. Any dietary restrictions or food allergies of school-aged children in your household.

You will be offered pickup times based on the staffing schedules of food service workers and instructed where to accept delivery of the meals at your coordinated pickup time.

We hope this meal opportunity alleviates some of the challenges associated with the school closure during this crisis.

If you have any questions, or to request meals, please contact one of the numbers below.
