December 14, 2020

Greetings Little Flower Community,

With the potential for inclement weather upon us, please be informed that the District is participating in the NYSED [Snow Day Pilot](#) which, instead of closing due to weather as a non-instructional day, we will be closing for in-person learning and following remote learning protocols.

Students are to follow all remote-learning protocols as outlined in the Reopening Plan, including logging into their Microsoft Teams classrooms at their regularly scheduled bell times where their teacher and assistant will be online to support their distance learning.

Additionally, any related service provider will be contacting your child through Microsoft Teams and/or telephone to provide IEP-mandate related services, and our behavior support team will conduct outreach check-ins with each student.

Please know that closing the school for in-person will not be made without careful consideration of the safety of traveling students and staff and will be utilized as a last-resort option. Announcements will be made by Calling Post and/or the district website.

Thank you, be safe, and be well.
