## End of the Year Trip

By Charlene Thompson

So obviously you all know we recently went to Lake George and Six Flags Great Escape. Here is how the trip went: We were on the bus by 7:00 AM and left about 7:45. Then we were on the road until about 1:00 PM when we arrived at Howe Caverns. We ate lunch (pizza) and walked through a cave. Then we went back on the road until about 6:00 PM and arrived at Golden Corral for dinner. We were there for about an hour and got back on the road to get to the hotel by 7:30. At the hotel, we went swimming, used the jacuzzi and ate a lot of snacks. The next day we left at 10:30 and headed to the park. At the park were amazing rides! Rides like Flashback, the Blizzard, and Sasquatch. So just aheads up, you might want to behave to go on the next trip!

We also want to give a special thanks to Ms Josie for making this trip happen.

## Prom

All who went to the prom looked beautiful! There was great music and a lot of dancing! A good time was had by all!

## The June Busey Feature Interview

This will be the last of the Busey Interviews. Congratulations Leif on your graduation and thank you for doing such an extraordinary job as an interviewer. You have come such a long way and we wish you the best of everything in your future. We will miss you 

This final interview was conducted by Ms Josie and Barbara Sorgenfried

An Interview with Leif "Busey" Patrick Merrow

**Josie:** *How did it feel to be the editor of the Little Flower newsletter?*

**Leif:** It was so-so. Kind of boring. Sometimes, I would try to sneak things under the radar but I had to be subtle about it. I couldn't be too obvious.

**Barbara:** *Now that you are graduating, what are you planning to do?*

**Leif:** Enjoy the summer, then starting classes in the Fall. I was thinking about starting an ostrich farm but I have no insurance.

**Josie:** *How has Little Flower helped you?*

**Leif:** Well I used to be a ragin' little b@#\$#@%d. Now I'm the Busey you see before you.

**Barbara:** *What kind of bands are you into?*

**Leif:** Ween, Cardiacs, The Residents. I like Linkin Park every now and then, I've also been listening to a lot of Nujabes.

**Josie:** *What do you think about the upcoming Presidential race?*

**Leif:** It's a three ring circus.

**Josie:** *Also if you can vote; who would you choose?*

**Leif:** I like Bernie, I'd vote for him. Unfortunately, he's not getting in. I'll have to vote for Hillary (how can anyone trust Donald Trump with the launch codes).

**Barbara:** *What is your favorite kind of pizza?*

**Leif:** I don't really like pizza. I'll occasionally eat it. I'd rather sit in my basement eating sticks and rocks while watching every episode of Frasier simultaneously.

**Josie:** *How long have you been here in Little Flower and what will you miss? Who do you admire?*

**Leif:** I've been here since March 2009, so about 7 years. I'll probably miss some friends. I admire Ms Capporusso, Mr. Zawolik, Mr Walsh, Mr Kenny, Pizza Steve, Mr. Maire, and probably a bunch of others....maybe.

**Barbara:** *Last question. What is your favorite memory from this year?*

**Leif:** When me and the fellas devoured 2 tables of food at the Golden Corral at the end of the year trip. That was hilarious.
