Summer BUZZ 2019

Where's Mr. Kenny?

WHERE: NORMANDY, FRANCE

WHAT: OMAHA BEACH

WHEN IN HISTORY: JUNE 6, 1944

WHY DID YOU VISIT:

Omaha Beach is the code name for an area of Normandy where the Allied forces landed on D-Day, June 6, 1944. This day was one of the most significant of World War II and perhaps in history. The invasion of Europe is seen as the beginning of the downfall of Nazi Germany. My friends and I visited the American cemetery to pay our respects to the thousands of soldiers who made the ultimate sacrifice that day. It was amazing to see people from all over the world joining us in honoring them.
