Where In The World Is...

CLIP

Mr. Kenny?

Where: Nurnberg, Germany

What: Palace of Justice

When in history: 1945-1946

Why did you visit:

This is the courthouse that hosted the Nuremberg trials after World War II. I wanted to see for myself where Nazi war criminals were tried for war crimes and their crimes against humanity. We had to be very quiet when visiting since the courtroom is still in use today.
